

YMCA Membership For All

Income-Based Rate Scale

What is the "Membership For All" program?

The heart of the YMCA's mission is to reach out and serve all people in our communities. Because the YMCA is community-based and believes that its programs and services should be available to everyone, we offer the "Membership For All" Program. This program offers a sliding fee scale that is designed to fit the financial situation of each individual and family in our community.

What is Income-Based pricing?

The YMCA's "Membership For All" Program includes an income-based rate scale that is designed so that all people have access to the YMCA. The table on the back may be used to determine the amount you will be expected to pay on a monthly basis based on your annual income.

How do I apply?

Contact the YMCA of Greater Cincinnati and complete a membership application. Verification of income will need to be provided by submitting a copy of your most recent tax return so that the amount of your membership fee can be determined.

Membership fees will be reviewed for eligibility once a year.

Who will see the financial information?

Personal financial information is handled in a confidential manner and will be seen and reviewed only by YMCA staff. No information is shared with any other agency or organization.

A United Way Agency Partner

Below is a table that will help you find the monthly membership fee that corresponds to your household's income:

YMCA OF GREATER CINCINNATI METRO MEMBERSHIPS
